

Bus Shelter No.3

Herrick Archives Building 396

A. IDENTIFICATION & LOCATION

Building 343 was originally designated Bus Shelter No.3. This building was removed in April 1984.

Building 396, which is now designated in Campus Planning records as Building 343, is also called Bus Shelter No.3. It is located at 380 Woody Hayes Drive. See map.

Building 396 is constructed of clear plastic on a steel frame. It has a gross area of 75 sq. ft. and a net assignable area of 70 sq. ft.

The building was constructed in August 1981 at a cost of \$3,000 (P).

Building 396 is shown in Photograph X 30145 in Photo Archives.
